Cat. No.	Nominal Size
5458	1¼"x9" (3x23 cm)

## Tool Guards

Protect both tool and user with a Klein guard for your edged tools.

Klein guards are made of ¼" (1.6 mm) vulcanized hard fiber, securely riveted and equipped with adjustable web straps to hold the tool. Guards may also be equipped with a snap for hanging on a workman's belt. These two-way knife snaps are riveted to the web strap of the guard and snap into the ring on a line-man's belt.

We also supply tool guards in ⅛" (3 mm) full grain leather upon request at additional cost. Fiber or leather custom-made guards are also available for edged hand tools of any design. For a quotation of price on custom-made guards, please supply a sketch or paper tracing.

## Hand-Saw Guards

Cat. No.	Description
5502	Fiber 26" (66 cm) hand-saw guard.

Cat. No.	Description
5507	Fiber pole pruning-saw guard.
