

Personal Protective Equipment and Warning Tapes

Full Face Shield

General-purpose protective face shield with chin guard. All-plastic construction with high-impact full-front cap and chin guard for extra protection. Free-floating ratchet headgear with full-tension adjustment and sweat band for added comfort. Anti-warp design resists dimensional distortion from heat and moisture. Ample internal window clearance. Big window extends past ears, providing wide-angle protection. Window is made of clear, tough acetate and mounts on keyhole studs which allow easy replacement. **Meets ANSI Z87.1, 1989 and CSA Z94.3.**

Cat. No.	Description
60060	Face shield with chin guard. Window dimensions: 19½" W x 6½" H (495 x 165 mm).
60061	Replacement window for No. 60060 face shield. Clear polycarbonate.

Disposable Dust Masks

Comfortable, full-size mask keeps dust out, lets air in freely for dependable protection and easy breathing. Designed for use around grinding and sanding operations, drilling in plaster or cement, cleaning dusty areas, and similar applications. Double-absorbent filter material is non-allergenic. Elastic band and soft, flared edges make for a comfortable fit. Metal nosepiece conforms to fit snugly around facial contours. Mask stands out away from nose and mouth, but won't collapse when wet from use or humidity. **WARNING: These masks are NOT SUITABLE for use against toxic or hazardous air contaminants. If there is any doubt, consult an industrial hygienist.**

Cat. No.	Description
60080	Box of 50 disposable dust masks.

Protective Eyewear

These attractively-styled, rugged, protective eyewear offer front and side protection with molded sideshields and browguards. Lenses are 58 mm polycarbonate and are offered in clear or dark gray. High-quality frames provide a comfortable fit and are offered in a choice of charcoal or blue. **Meets ANSI Z87.1, 1989 and CSA Z94.3.**

Cat. No.	Description
60050	Protective eyewear with blue frame and clear lenses.
60051	Protective eyewear with charcoal frame and clear lenses.
60052	Protective eyewear with charcoal frame and dark-gray lenses.

Barricade and Warning Tapes

These barricade and warning tapes have bold, black lettering on bright, long-lasting color backgrounds— yellow for CAUTION/CAUTION tape and red for CAUTION— BURIED ELECTRIC LINE tape. Made of tough, heavy-gauge (4 mil) polyethylene. Highly resistant to acids, alkalies, and other soil components. Tapes are 3" wide, and are available in either 200' or 1000' rolls. **(Custom lettering and/or your company logo, name and address is available on special order— also 6"-wide custom tapes— ask your Klein distributor for minimum quantity and price.)**

Cat. No.	Description
58000	CAUTION/CAUTION legend with black letters on bright-yellow background. 3" x 200' roll.
58001	Same as 58000, except 1000' roll.
58002	CAUTION— BURIED ELECTRIC LINE legend with black letters on bright-red background. 3" x 200' roll.
58003	Same as 58002, except 1000' roll.

Protective Goggles

General-purpose cover-type protective goggles of soft vinyl plastic. Comfortable and shaped to conform to facial contours. Fit easily over personal glasses. Top and bottom edges perforated for direct ventilation. Clear, one-piece .060" acetate lens is replaceable. Lightweight adjustable elastic strap. **Meets ANSI Z87.1, 1989 and CSA Z94.3.**

Cat. No.	Description
60040	Cover goggles. Standard head size.
60041	Replacement Lens for Klein No. 60040 goggles.

Hard Caps & Liners

These high-density polyethylene hard caps meet ANSI Z89.1—1986 specifications for Class A, B and C applications.

They have a unique nape strap to hold them firmly in place, plus washable, shrink-and stretch-proof straps and bands. Porous brow pad promotes ventilation for comfort. Caps adjust to fit all sizes.

Full 6-point headgear suspension. Headband clips help hold goggles in place over eyes or on front of cap. Rain trough helps keep neck dry. Slots at sides for attaching No. 60060 face shield and other protective gear.

Cotton-twill cap liner has orlon-pile lining for warmth. It is washable, pre-shrunk, and flame retardant. It has non-metallic Velcro fasteners and adjustable chin straps.

Cat. No.	Color	Description
60005	Orange	Polyethylene hard cap.
60009	White	cap.
60010	Yellow	
60011	Blue	
60015		Winter hard-cap liner. One size fits all.

Replacement Components for Hard Caps

Cat. No.	Description
C60012	Chin strap.
60013	6-point suspension for Nos. 60005, 60009, 60010, & 60011.
